Renting and Purchasing Tips

Renting or purchasing an instrument and supplies is a very important first step in your child's music education. As educators, we put together recommended lists based on years of experience and extensive research. The recommended list are quality supplies. Currently, Music and Arts, our local music store, carry these brands and have knowledgeable sales staff. Please avoid buying the following brands: Mendini, Etude, Cecilio, or anything that you can purchase from Costco or Amazon. If you find an instrument or supplies elsewhere, please contact a director for guidance and approval. Let us help you find the best equipment for your child and start they year off right!
